

## Highway maintenance scheme • Jan/Feb 2023

### Port Isaac Carriageway Repair Works

As part of our planned highways maintenance work, a road closure will be in place on the B3267 New Road & Trewetha Lane, Port Isaac from **Monday 30<sup>th</sup> January to Friday 10<sup>th</sup> February** while carriageway repair work is carried out.

The road will be closed weekdays only between the hours of **9am and 4pm**. Outside of these times the road will be open as normal. We need to implement these measures to give our teams a safe working zone and protect road users while the work is carried out.

We will have marshals on site to support residents and businesses needing local access. Please allow additional time for your journey as there may be significant delays.

#### FAST FACTS

#### WHAT

Repairing the Carriageway Surface

#### WHERE

B3267 New Road & Trewetha Lane, Port Isaac

#### WHEN

30<sup>th</sup> Jan – 10<sup>th</sup> Feb

9am – 4pm

**To prevent delays, and to enable us to maintain emergency access please do not park on, or obstruct the highway during working hours.**

**Thank you for your patience while these works take place.**

## Access arrangements

Access for residents and businesses will be maintained through gateways managed by traffic marshals. Residents will need to stop at the gateways and our staff will help you to get into, or out of the roadworks site safely using the right route.

**Please be supportive by respecting and responding to any speed restrictions and the safety instructions given by staff.**

If our teams need access or have to move machinery out of the way there may be significant delays.

We will always do our best to accommodate day-to-day requirements of people affected by our works, and access will be maintained as much as possible for those people directly impacted by the closure.

Emergency access will be maintained at all times.

## Working safely

Please be aware of the following hazards while the work is taking place.

- Uneven road surface where the old surface has been removed
- Raised manholes, gullies, and other service boxes
- Varying kerb heights when stepping off the footway

All of our sites will be appropriately risk assessed and have strict safeguarding measures in line with current Health and Safety and Public Health England guidance to ensure the safety of residents and our staff.

## Notifications

Please note this information is correct at the time of circulation but is subject to change at short notice, especially in periods of poor weather.

Resurfacing work is weather dependant and may be delayed by cold temperatures and heavy rain.

If works are postponed or cancelled, we will do our best to update the advance notice boards on our sites.

## Works in your area

For up-to-date information about roadworks, road closures and diversions, affecting the road network, please visit: [one.network](#)

To find out what we are doing or planning in your area, please see the programming pages on our website: [www.cormacltd.co.uk/cormac-programming/](http://www.cormacltd.co.uk/cormac-programming/)

For more information about future treatment programmes the council publishes details here: [www.cornwall.gov.uk/transport-parking-and-streets/roads-highways-and-pavements/planned-highway-maintenance/](http://www.cornwall.gov.uk/transport-parking-and-streets/roads-highways-and-pavements/planned-highway-maintenance/)

## Getting in touch

If you have any questions regarding the resurfacing works please get in touch by emailing: [surfacing@cormacltd.co.uk](mailto:surfacing@cormacltd.co.uk)

You can report an issue on a road, highway or footway on the Cornwall Council website: <https://www.cornwall.gov.uk/reportroad>

If there is an issue which is a threat to public safety, please telephone **0300 1234 222** (24 hour service) giving details of the location.
