St Endellion Housing Working Group

**St Endellion – Housing Needs Survey**

St Endellion Housing Working Group (STEND\_HWG) has come together recently, to help local people in housing need living or working in the Parish. STEND\_HWG includes representatives from the Parish Council, Cornwall Community Land Trust, local employers and residents. We need to build an up-to-date evidence base for Affordable Housing in the parish. A report compiled from the survey results will be used to support of any planning applications for affordable housing in the future. STEND\_HWG will consult publicly about how it proposes to address local housing need evidenced in the report.

As it's easier to analyse data captured on-line we encourage completion of our survey here: <https://www.surveymonkey.co.uk/r/stendhns>

**All SurveyMonkey completions will be entered in a free prize draw for lunch for two (excluding wine) at Outlaws New Rd!**

If you can't access the survey online, please complete, seal and post this freepost questionnaire, limiting returns in one format per household.

**Surveys in all formats must be completed by 10th July!**

We welcome input from residents and former residents with longstanding links to St Endellion, especially those who had to leave due to a housing shortage.

Thank you!
