

## **ST ENDELLION PARISH COUNCIL**

---

### **RETENTION AND DISPOSAL GUIDELINES**

The schedule accompanying these guidelines lists the main types of parish council records and gives recommendations for their retention and / or disposal. The following notes provide an explanation of the terms used in the schedule and give additional guidance on how to assess the records in their care.

#### **Records to be Preserved Permanently**

##### **At the Cornwall Records Office**

Records in this category, when no longer regularly consulted in the parish, should be deposited in the Cornwall Records Office (CRO). They are generally easy to identify; the obvious examples are the main series of signed council and committee minutes and the receipt and payment books.

Further information on how to deposit archives at the CRO can be found on the County Council website [www.cornwall.gov.uk](http://www.cornwall.gov.uk).

#### **Records to be Reviewed by the CRO for Possible Permanent Preservation**

Records in this category should be passed to the CRO for review, either when the prescribed minimum retention period is over, or when they are no longer required in the parish for administrative purposes.

#### **Records that may be Destroyed by the Council**

A large number of parish council records, mainly financial, may be safely disposed of by the parish clerk, usually after a minimum retention period prescribed for audit or other statutory purposes generally 6 years. **Where no minimum period is given, records in this category may be destroyed when they are no longer required in the parish for administrative purposes.** All documents should be treated as confidential waste and shredded.

ST ENDELLION PARISH COUNCIL

ADOPTED 3<sup>rd</sup> April 2023

Records	Action	Minimum Retention Period	Notes
